We offer Equality, Diversity and Inclusion off-the-shelf eLearning courses. These courses can be accessed from any device (computer, tablet, phone) and take you through the relevant subject at your own pace.

There is no set timeframe, so you can define your own speed of learning.

A certificate is issued on successful completion of the assessment.

The cost for eLearning courses is on a sliding scale. Discounts are available depending on the number of delegates.

Our eLearning courses are built to be fully SCORM compliant, which means they will upload and run seamlessly on your in-house Learning Management System. Alternatively, we can host the courses for you on our own user-friendly, web-based Learning Management System.

This system makes it easy to deliver and track our eLearning content, and our clear and concise reports give you access to the data you need for compliance or management reports.
